PUTNAM HOUSE LIVERY

HOW FRENCH PEOPLE CURE STOMACH TROUBLE

A household remedy of the French
peasantry, consisting of pure vegetable
oil, and said to possess wonderful merit
in the treatment of stomach, liver and
intestinal troubles, has been introduced
in this country by George H. Mayr, who
for twenty years has been one of the
leading down-town druggists of Chi-
cago and who himself was cured by its
use. So quick and effective is its action
that a single dose is usually enough to
bring pronounced relief in the most
stubborn cases, and many people who
have tried it declare they never heard
of anything to produce such remarkable
results in so short a time. It is known
as Mayr's Wonderful Remedy and can
now be had at all leading drug stores.
It is sold with the positive understand-
ing that your money will be refunded
without question or quibble if ONE
bottle fails to give you absolute satis-
faction.

SMASH TWO RUSSIAN FORTS

Germans' Big Siege Guns Weaken
Defenses of Ossowetz.

Berlin, March 3. (via London.)—
Two of the Russian forts at Ossowe-
tz in Russian Poland have been de-
molished and their guns silenced, ac-
cording to a dispatch printed today
in The Cologne Gazette.

The Tageblatt's correspondence in
Galicia telegraphs that the Russians
have not won a single complete suc-
cess in their efforts to regain the
Carpathian crests, lost by them. Hard
fighting continues, he says along the
whole line in spite of heavy snow
storms. The Russians are sacrificing
many men, the correspondent de-
clares, in their effort to regain moun-
tain heights and prevent a threaten-
ed encircling of their flank.

CUT OFF AID FOR TURKS

Russians After Three-Day Battle Stop
Reinforcements for Caucasus.

Tiflis, March 3. (via Petrograd.)—
The Russian Army of the Caucasus,
driving the Turkish forces before it,
has reached the River Khopchas the
estuary of the Tchoruk in Armenia.

This advance by the Russians cuts
the route of Turkish reinforcements
and supplies from Constantinople to
the Caucasian frontiers through
Khophe, Turkish Armenia, and isolates
a large section of Turkish territory.

The isolated section includes the
districts of Ardahan, Ardahan, Oltu,
and Sari-Kamish.

The Russian forces advanced from
Batumi, on the Black Sea, near the
Turkish border, and were opposed by
the Turks at every step. They were
assisted by Russian warships, which
cleared the shore of Turkish forces
and cut off successfully several
avenues of Turkish communications by
sea until only the Khophe route remain-
ed.

After a battle of three days, this
last route was closed effectively.

WOMAN COULD HARDLY STAND

Because of Terrible Back-
ache. Relieved by Lydia
E. Pinkham's Vegeta-
ble Compound.

Philadelphia, Pa.—"I suffered from
displacement and inflammation, and had
such pains in my
sides, and terrible
backache so that I
could hardly stand.
I took six bottles of
Lydia E. Pinkham's
Vegetable Com-
pound, and now I can
do any amount of
work, sleep good, eat
good, and don't have
a bit of trouble. I
recommend Lydia E.
Pinkham's Vegetable Compound to
every suffering woman."—Mrs. HARRY
FISHER, 1835 Doughton St., Nicetown, Pa.

Another Woman's Case.

Providence, R. I.—"I cannot speak
too highly of your Vegetable Compound
as it has done wonders for me and I
would not be without it. I had a dis-
placement, bearing down, and backache,
until I could hardly stand and was thor-
oughly run down when I took Lydia E.
Pinkham's Vegetable Compound. It
helped me and I am in the best of health
at present. I work in a factory all day
long besides doing my housework so you
can see what it has done for me. I give
you permission to publish my name and I
speak of your Vegetable Compound to
many of my friends."—Mrs. ABEL LAW-
SON, 126 Lippitt St., Providence, R. I.

Danger Signals to Women
are what one physician called backache,
headache, nervousness, and the blues.
In many cases they are symptoms of
some female derangement or an inflam-
matory, ulcerative condition, which may
be overcome by taking Lydia E. Pink-
ham's Vegetable Compound. Thousands
of American women willingly testify to
its virtue.
